What a great piece with a lot of weekly activities included. The elaborations are stated nicely and clearly. Love your master piece so much! Gabrielle!

Dear Kate,

Thank you for your letter. It's great to hear from you. I do different activities after school too. Let me share about what I usually do in a week.

I <sup>usually</sup> play piano on Monday.  When I play the piano, the melody is lingering in the air. I <sup>usually</sup> have choir <sup>practice</sup> on Monday <sup>and</sup> Friday. I love to sing songs <sup>beautifully</sup>. I usually have painting lessons on Saturdays. I like to draw very much. I am very happy at school. I love to borrow books in the library too, because the books are so interesting.

 - I love it!

We can meet at the playground on 17<sup>th</sup> August. First, let's go to the book shop and buy books.

<sup>Second</sup> we <sup>can</sup> go to the <sup>cricket</sup> ground, <sup>and</sup> you can teach me how to play. Third, we can go back to the

playground and play together. At last, can we eat lunch at my home. After that, you can go back home. Best wishes,

Gabrielle
