Dear Kate,

Thank you for your letter. It's great to hear from you. I do different activities

after school too. Let me share about what I usually do in a week.

I love sports, because it is fun and interesting.

I have swimming lessons on Sundays. I have painting

lessons on Wednesdays. I have table tennis lessons

on Saturdays. I have violin lessons on Tuesdays and Thursdays.

I play video games at weekends. It is fun!

I am interested in playing basketball with my little sister on Sundays. We are happy!

You will be back to Hong Kong next month. Let's

play basketball at ten o'clock in the morning on 23<sup>rd</sup>

August. We can meet in the playground. Then, we can

enjoy our breakfast together in a fast food shop near my

home, too! It is delicious!

Very

See you soon!

Best wishes,
