Dear Kate,

Thank you for your letter. It's great to hear from you. I do different activities after school too. Let me share about what I usually do in a week.

I love sports. I usually have basketball lessons on Mondays and Tuesdays. I play basketball with my brother and sister. I usually have swimming lessons on Wednesdays. I usually have piano lessons on Thursdays. I usually play football on Fridays and Saturdays. I do not have any activities on Sundays.

You will be back to HK for the summer holiday next month. We can go to the church first. We can meet at Kowloon Church at nine o'clock in the morning. Then we go to the bookshop. We can read books together.

Hope to hear from you soon!

Love,

Yi Hang
