I was doing a project last Friday. All of my friends are counting on me to finish the last bit before the deadline tomorrow. I was very focused as I could. Mum was washing the dishes in the kitchen as usual.

moment

gust of

into my flat

A ~~while~~ later, a strong wind blew ~~some cold air~~

(6)

① Son, can you help me close the window, please? ② Mum shivered

as I immediately closed ^{T. id} the window before my mum catches ^{T. caught}

a cold. My cat ^{got} Sophie saw me walking towards the window.

She was curious so she ^{jumped} onto my table.

Oh no! My project! ① Sophia... ② I glared at her. I was as

mad as a hornet. Sophia spilled ^{all over} ~~the~~ my project. There was ^{the water}

no choice but to clean up the mess and let it dry until tomorrow.

★ Although the project was a bit ^{rinky} rinky, my friends

didn't mind. How good ^{that} I have such good friends! Well...

Sophia... I forgave ^{her} her. She didn't mean to do that. It's just an

animal! Let's give it some love ^{than} ~~then~~ punishing it!
