Dear Kate,

Thank you for your letter. It's great to hear from you. I do different activities after school too. Let me share about what I usually do in a week.

I usually play basketball on Monday and Tuesday.

I usually study with my tutor on Wednesday afternoon.

I usually go to the restaurant on Thursday and Friday in the evening. I usually play football on Saturday and Sunday.

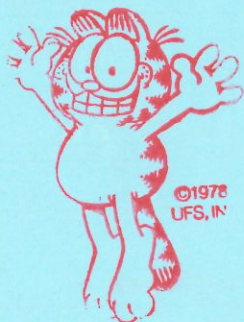

I know that you will come back Hk for the summer holiday soon.

Let's swim in the swimming pool together

I am looking forward to seeing you soon in Hong Kong.

With Love

Avery
