Welcome to my podcast! I had a weird dream last night. In the dream, my robot friend Celine, and I were in a park. At first, Celine and I went to a park named Happy Park to buy some ice cream because we were too hot after playing.

Suddenly, when I was eating the ice cream with Celine, we saw a big ice cream monster coming to eat us. We felt as scared as mice. Suddenly, Celine had a plan. We could throw some fire to make the big ice cream monster melt.

In the end, the ice cream monster was dead and it disappeared. We felt happy like clams, so we ate one more scoop of ice cream at last.
