Welcome to my podcast! I had a weird dream last night. In the dream, my robot friend, Tommy, and I were in the park. At first, Tommy and I were in the new park and it was so clean. But there weren't any seesaws, so I felt upset.

Suddenly, Tommy used his phone and searched for the word 'seesaw'. He said, 'I am ready to press the button.' In ten seconds, Tommy made a seesaw. I felt surprised.

In the end, we played in the park and made a new friend. What a lovely day!
