Who is the writer

Please meet our student writer for this newsletter: Hosanna from Class 6A at Methodist School. In this issue, she reports on recent news about an earthquake and calls on our community to help those affected. Hosanna writes with compassion and clarity; she explains what happened, describes how people are coping, and suggests simple ways readers can lend support. We hope her thoughtful account inspires everyone to show kindness and take action.

UPCOMING EVENTS

✳ Annual Talent Show

June 18, 2026

Cheer on your classmates as they showcase their talents on stage!

Gansu is in a bad condition, many survivors are now waiting for help.

Gansu Earthquake: Lend a helping hand

Gansu earthquake, known to be the deadliest earthquake for years in China, had at least 127 people killed. Survivors said that they rushed out of their homes and didn't have a chance to get enough warm clothing with them.

The Voluntary Club charity event

We will hold a fund-raising fair in Prac-Palais club house on 23rd November, 2025. The funds we earn will be donated to the international charity UNICEF. UNICEF provides healthcare, nutrition, and education. They also offer emergency relief so that the victims may have someone to rely on.

Call for event volunteers

Some of you may ask, 'What can we do? We're only primary school students.' We need you to be volunteers. If every student helps us by being a volunteer, we will have more help to raise more funds for the victims!

Let's lend a helping hand to natural disaster victims!!
